ABOUT SHANKUS MEDICITY, MEHSANA (FLAGSHIP TIER 3 CENTRE)

- Shanku's Medicity is being developed in 50 acres area with an aim to create a place that provides all super-speciality under one roof. This healthcare facility will become one place destination for all tertiary and quaternary health issues and the treatment will be delivered in scientific protocol driven way by experts in individual field. Our vision is to provide complete and multi-dimensional care for individual diseases. The integration of novel health related technologies like paperless health records, integrated follow ups and after care, remote video consultations etc. into treatment algorithms will further improve the quality standards and address few fundamental limitations of our health care delivery system. The amalgamation of naturopathy treatment with standard medical practice for chronic and lifestyle diseases will create new paradigm for troubled patients.
